This award is recognizing for individual who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Head and neck 2020. You can nominate deserving of the award through online

Best Keynote Speaker in Head and neck 2020

Keynote speeches are usually based on the speaker's overview of future advancements and experiences. They can also include motivational and inspirational elements. But the most important factor for keynote message success is audience engagement, innovative ideas for the betterment of health conditions in society, someone who captures the essence of your meeting and can subsequently highlight it to your audience in a short amount of time, weaving the key message that you want the audience to take away with them, into their speech in a fun and memorable way. **Best Poster Presentation in Head and neck 2020**

Poster presentations are a very influential way of sharing significant research and deserve recognition. The poster gives a framework to visually summarize your work, to engage others in discussions, and an opening to entice others to learn more by reading the full paper. The student poster award will acknowledge work that best represents the purposes, goals, vision and adds new knowledge, contributes innovative research, and/or provides insightful contribution to the field by a bachelor's, master's or doctoral student.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Head and neck 2020

The Outstanding Masters/Ph.D./Post Doctorate is awarded to promote, recognize and reward the most outstanding presentation presented by students or young researchers. Each year, Chairpersons / Judges will assess and score student presentations at conferences based on the novel ideas, communication and interaction skills. Typically, the

topmost 2-5% of presenters in each section is awarded.
